COME JOIN OUR WATCH

21-25 JANUARY 2023 - HERON ISLAND
6th CoralWatch Ambassador Workshop

GET INVOLVED AND TURN YOUR MARINE CONSERVATION IDEAS INTO REAL ACTION

CoralWatch has trained over 60 Ambassadors throughout Queensland that assist with events, outreach and deliver positive messages to inspire audiences to protect our coral reefs. The CoralWatch Ambassador program provides you the opportunity to be part of a citizen science community that knows what’s happening to our reefs, collects and analyses CoralWatch data, shares results and educates others about the importance of reefs.

APPLICATIONS open 1 November 2022
CLOSE 1 DECEMBER 2022

Successful applicants will be notified by mid December

Learn about corals and reef conservation, reach out & inspire others

APPLY NOW
WORKSHOP AIMS
• Gain knowledge: coral reefs, CoralWatch, sustainability
• Gain field experience in the marine environment, tools, surveys
• Develop Ambassador ideas into a realistic plan
• Practice community engagement opportunities: reefwalks, presentations, displays
• Exchange ideas, inspire and help each other
• Get to know fellow Ambassadors and CoralWatch team

WORKSHOP CONTENT
• Presentations (coral biology, reef threats, CoralWatch, climate change, sustainability)
• Working sessions (roleplay, project development, science communication, planning, practice sessions, data entry and analyses)
• Fieldwork (snorkeling, collecting data, monitoring methods)

YOUR CONTRIBUTION
• Commit to engage in regular CW community events (school visits, festivals, workshops) and implementation of your own project
• Collect and upload Coral Health Chart data and inspire others
• Report and liaise on outreach activities and experiences to CW
• $200 AUD workshop contribution, plus travel cost to/from Gladstone from your location

EGLIBILITY
• Confident swimmer/snorkeler
• Available to attend the full 5-day intensive training workshop at Heron Island Research Station from 21 - 25 January 2023.
• Available in volunteer capacity for at least one year, January - December 2023.

APPLY NOW
Up to 15 participants will be selected through a formal application process. You can download the application form from the CoralWatch website (https://coralwatch.org/index.php/ambassadors/) and propose your Ambassador ideas to CoralWatch before 1 December 2022. Successful applicants will be notified by mid December.

CoralWatch will deliver a 5-day workshop, materials, expertise and a certificate upon completion. Onward support will be provided to assist with your Ambassador activities. Participants pay a workshop contribution fee of $200 AUD and their own transport to and from Gladstone. Any questions contact CoralWatch at info@coralwatch.org
