

# 8-11 April 2025 - Yeppoon CoralWatch YOUTH Ambassador Workshop

Get involved in

## CoralWatch 'What Can I Do?' program and help protect the Great Barrier Reef

We are thrilled to invite you and your parent/guardian to our exciting new youth workshop to become a youth ambassador. Join us for an unforgettable experience as we jump into the fascinating and secretive world of corals, learn about their fragility, and discover how we can inspire others to make a difference for the future of reefs.

Hi! I am 'Coral'  
the coral polyp  
and I am asking  
for your help.

**AMBASSADOR  
APPLICATIONS**

Open 20 Feb-20 March 2025

Successful parent/child  
teams notified by 25 March

**CORALWATCH**  
Ambassador

### Engaging activities

Hands-on activities including games, VR, coral monitoring, art activities, reducing carbon footprint, roleplay and more. We'll make sure you have a blast while learning about coral conservation.

### Expert speakers

Get inspired by stories of other CoralWatch Youth Ambassadors, and the CoralWatch team who will share their knowledge. Meet Woppaburra Sea Rangers to hear about their conservation projects.

### Connect with like-minded people

Meet other people who share your passion for the ocean and build lifelong friendships. Stay connected after the workshop, by organising events together in your local area.

### Dive into the blue

Enjoy the daytrip to Woppa (Great Keppel Island) for a snorkel and collect Coral-Watch Data. Learn about citizen science and the importance of monitoring coral reefs.

### Learn lots about coral reefs

Learn why corals reefs are so important, and their role in marine ecosystems and how they are affected by climate change.

### Live more sustainably

Discover all the things you can do to reduce your carbon footprint, and how you can inspire others to take climate action to help save the reef.

## What's in it for ME

Practice problem-solving skills

Make new like-minded friends

Save reefs from home

Develop a deeper sense of community

Learn how to save corals

Leadership skills

Improve creative thinking ability

Bonding time with your parent/guardian

Have fun in the natural environment

Reduce my carbon footprint

This workshop is open to all young coral crusaders aged 8 to 14 years, together with their parent/guardian, living in the Rockhampton Region (+/- 150 km radius).

### Eligibility

- Child and parent/guardian are both confident swimmers/snorkelers (200 meter without support).
- Child and parent/guardian are both available to attend the full 4-day intensive workshop from 8-11 April 2025 in Yeppoon.
- Child and parent/guardian are both available in a volunteer capacity in 2025.

### What's expected

- Your commitment for 2025 to help save reefs
- Organise activities as a CoralWatch Ambassador team in your community
- Inspire friends to get involved in the CoralWatch 'What Can I Do?' program and help save reefs from home
- Share your activities with CoralWatch on a regular basis

### What's included

- CoralWatch will deliver a 4-day workshop (9AM-5PM)
- Exciting daytrip to Woppa (Great Keppel Island) exploring the reef and collecting CoralWatch data.
- CoralWatch provides workshop materials, Ambassador t-shirt, professional expertise, a certificate upon completion and onward support to assist with your Ambassador activities.
- CoralWatch provides daily lunch.

### What's not included

- Participants pay a workshop contribution fee of \$320 AUD per parent/child team
- Participants arrange their own transport to various locations during the workshop.
- Participants arrange their own breakfast, dinner and accommodation (if outside the area).

### How to apply

- Applications are open from 20 February to 20 March.
- Your child's participation in this workshop is conditional on parent/guardian's participation, it's teamwork!
- Complete the application form, available on CoralWatch website, social media and [info@coralwatch.org](mailto:info@coralwatch.org)
- Up to 10 adult/child teams will be selected and notified by 25 March the latest.

**Any QUESTIONS contact the CoralWatch team Karen Johnson or Diana Kleine at [info@coralwatch.org](mailto:info@coralwatch.org)  
Register for our zoom session on Wednesday 12 March 6-7 PM by email [info@coralwatch.org](mailto:info@coralwatch.org)**

This workshop is organised by CoralWatch at The University of Queensland. The workshop is supported by:

Great Barrier  
Reef Foundation

THE UNIVERSITY  
OF QUEENSLAND  
AUSTRALIA
